The boy's basketball team began practice early in the season with thirty boys coming out for the first practice. Of these boys, fourteen were letter men which include four of last year's starting lineups who led Morehead City to the Semi-finals in the North Carolina Class "C" Championship tournament. The team has played the largest and strongest schedule ever played by a team in Morehead City. This schedule included thirty games among those were Broughton High School in Raleigh; Washington High and Southern Pines. The team split the games with Broughton in Raleigh, losing by one point 42-41; and winning by a score of four points 32-28 in Morehead. Incidentally, this was the first time that a double "AA" high school has played in Carteret County. Morehead lost to Washington, and split the games with Southern Pines.

The team was led and inspired by their captain, Seldon Sherwood, a four year veteran in the field of basketball. Among the outstanding players who helped to bring success to Morehead's teams were: John Nelson, Buck Matthews, Kemp Guthrie, Bobby Bell, Tarver McKnight and J. G. Bennett.
