

Wins Scholarship

Charles R. (Pud) Hassell, son of Mr. and Mrs. C. R. Hassell, Beaufort, is the first Beaufort high school student to win a Morehead scholarship. The \$5,000 scholarship provides \$1,250 a year to cover cost of tuition, books, room and board, plus more than \$200 for incidentals at the University of North Carolina.

Names of the 25 scholarship winners were announced Tuesday.

Albert Gainey, principal of Beaufort school, where Charles is a senior, said Wednesday that he is thrilled with Charles' success. "He is a most deserving person," Mr. Gainey remarked, "I think he will speak well for Beaufort school and Carteret county."

Charles is a three-letter man, basketball, football and baseball, and ranks first in his class, ac-

ording to the UNC News Bureau.

The 25 winners were selected from an original 614 candidates representing all but seven counties in the state. There were 169 finalists.

Almost \$2 million in scholarships has been awarded to 271 outstanding students by UNC alumnus John Motley Morehead since the inception of the scholarship program in 1951.

Charles is the second Carteret winner. Lewellyn Phillips, Morehead City alumnus, is holder of a Morehead scholarship. He is now a junior in pre-med at UNC.

Commission to Meet

The County Planning commission will meet at 7:30 Monday night at the Carteret-Craven Electric Membership building, Morehead City. Jerry Turner, Raleigh, division of community planning, will be present.
