

Initial Little League Tryouts Slated for Wednesday at 4

All Little League aspirants should attend the opening tryouts Wednesday at 4 p.m. at the Little League diamond.

Floyd Chadwick, player agent for the program, has announced that there are at least 25 openings for boys this season to replace those that have graduated and those who have dropped out.

All boys between the ages of 8-12 are eligible. Tryouts will be conducted by the managers and league officials.

The largest number of boys needed are in the 8-10 year old group, and it will be noted with intense interest the number of youngsters in this age bracket who attend.

Ten more signs at the field are available to sponsors on a two-year basis for \$25, and any business firm or individual who'd like to have a sign at the Little League diamond should contact the Morehead City Jaycees.

All of the points expended on players who have graduated from the program will be returned to the managers when they get together just prior to the opening of the season, and they will once again bid on the available talent.

Dr. Bob Barnum is in charge of the umpires for the program for 1956. He needs additional umpires for the league games. Anyone interested in helping out as an umpire should contact Dr. Barnum at either 6-3324 or 6-4492.

All of the sponsors of last year's teams are being contacted to give them first chance at sponsoring a team again this season.

President Russell Willan has announced that he expects to look into the possibility of building dugouts at the field for the respective teams, and it is hoped that they will be ready by next season at the latest.

Managers of the teams who are expected to return are Bob Cantelli, Bruce Grisham, Billy Harrell and Hal Shapiro.
