

MAY 15, 1975 CONTINUED

eball Scenario

this one even has a sequel.

The same lure of the Carolina Coast and its feminine pulchritude struck Craig Weber like a bolt of lightning. He hit the beach hereabouts with the United States Marines, but stayed to marry a 95-pound blonde bombshell. That's why he's now a local radio personality and a Salter Path teammate of Daughtrey.

ONE OF these fine days, the 24-year-old Craig probably will be Jack's battery-mate. Because Weber's best position is catcher, where he leads off for the Braves and is hitting .304 with power and six stolen bases.

But this Sunday won't be the day for the Daughtrey-Weber battery. Manager Otis Pittman will start Neal Smith on the Brave mound at Smyrna when they try to stop the runaway gallop of the defending champion Eastern Blues at 2 p.m.

WE'VE SEEN the pitching

In slim-trim shape at age 38 is Jack Daughtrey, pitcher and first baseman for the Salter Path Braves. He is hitting .667 in clean-up spot after a spectacular debut in the Seashore League last week.

wonders of Lefty Dallas Arthur. Now Sunday Wilson Davis, manager of the undefeated league leaders, will hand the pitching assignment to Dallas' 20-year-old cousin, Richard.

"Richard throws even harder than Dallas and the youngster has perhaps better control," says the Blues' decision maker. "I honestly don't know who's the better pitcher."

Maybe we'll see Sunday, Wilson.

Bicycle Club Will Organize Thursday

Persons interested in joining a bicycle club are invited to attend an organizational meeting Thursday, May 29, at 7:30 p.m. in the District courtroom, Beaufort.

The club is being organized by Jonathan Willis of the County Parks and Recreation Department. For further information, contact him at 728-2626 or 726-8634.

COUNCIL TO MEET

The Bogue Banks Council of Governments will meet Tuesday at 8 p.m. in the Emerald Isle town hall.

Morehead City Recreation

By DENNIS CHADWICK

IN GIRLS softball this past weekend, the Mullet Wrappers bombed the Autoettes 24 to 3. Winning pitcher was Kathy Adams.

Michelle Hoggard hit a home run and her teammates accounted for 2 triples and 2 doubles, accounting for part of the Wrappers batting attack. In the second game, the Pills edged the Moose 13 to 12, with Glenda Pope, winning pitcher, hitting a home run to break a tie and give the Pills the game. Shelley Oglesby and Jo Ann Moore also hit home runs to add to Glenda Pope's efforts.

THE MOREHEAD City Recreation Department has purchased two billiard tables and these are located at the Shepard Street center and are available to the public during center hours. The department now has four tables, two located at each center.

Our Wednesday night movie schedule has been canceled for the summer; it will resume with school this fall. Occasionally, we will show movies during the summer, but not according to any schedule.

THE DEPARTMENT has just completed landscaping the front lawn of the 16th Street community center. Shrubbery as well as grass seed has been planted in this area, and we would like the public to bear with us and remain clear of this part of the lawn until the plants have had a chance to get established.

Another room has been painted at the Shepard Street center and we hope to have the billiard room painted by the time our summer program begins. For those of you who have not been inside the Shepard Street center in the past year, I invite you in to see what has been done in the way of building improvements.
