Seashore League

(Continued from Pg. 3-A)

Crawford Pigott and pitcher Dallas Arthur are also still recuperating from last week's injuries and will probably see only limited action.

EASTERN BLUES manager Wilson Davis will rely on his right-handers, George Zurenko and Richard Arthur, to preserve their victory string. The Western Blues demonstrated that they are ready to play ball now with their fine showing last week against the Braves at Salter Path.

This could be a week of upsets.
