

Pamlico County Nine Wins Over Blue Devils

By JACK GUTHRIE

The Pamlico County Hurricanes took advantage of six errors by the Smyrna Blue Devils to rack up a 7-5 victory at Smyrna Tuesday afternoon. The Blue Devils played the best ball they have shown all season for the first three innings and led 4-2 going into the bottom of the fourth.

Poor pitching support put Devil pitcher Ronnie Arthur in the hole in the bottom of the fourth. Pamlico pushed three runs across the plate and took the lead at 5-4.

The Blue Devils rallied to push one run across in the top of the fifth and tie the score at five all. Pamlico came back to score one more in their half of the fifth and one in the seventh to put the game on ice.

Batting star of the game was Roberts of Pamlico. In five trips to the plate he collected two triples and two singles. He was the only visitor to connect for more than one hit.

Arthur drilled two singles in four times at bat for the Blue Devils. Louis Thomas and Woody Hancock poled one double each.
