

J.V. Basketball

The "Little Patriots," led by Coach Billy Widgeon, compiled a successful 12-8 record in the rugged North-eastern Conference. Sophomores Billy Graham and David Sledge proved too tough for the opposing teams as they provided 23 points per game between them while playing brilliant defense. Tony Childers' rugged left-handed hook could usually provide a quick basket when the pressure was on.

After seeing this team in action, the basketball fans of western Carteret County are expecting a great varsity in the future.

Mr. Billy Widgeon coached the Junior Varsity through a successful year of basketball that helped mold the players of our future varsity.
