

# Seashore League

(Continued from Pg. 2-A)

the Western Blues failed to appear for a scheduled make-up game Saturday.

BOBBY McINTOSH, Salter Path right-fielder, provided the most eye-opening power for either team. He hammered two tremendous home runs far into the right-field pines off Brad Piner. He drove in 4 runs, scored 3 and ended the 15-6 carnage with a splendid catch, leaning into the forest, in the ninth.

Kenny Lewis homered for the Blues and had two hits for the Blues, along with Scott, Fred Nelson and Gaskill. Douglas Guthrie and Ted Willis each had two hits for the Braves.

RANDY GRADY grows on the weekly followers of the Seashore League as one whale of a catcher. His teammates voted him their Most Valuable Player last season and he keeps showing why, game-in and game-out. His hustle is something special, he's a polished receiver with a good arm and a timely bat.

He very well may have been Manager Davis' secret weapon over the weekend. Randy's a Boatswain's Mate Second Class in the U. S. Coast Guard. Skipper Wilson asked Grady to do something about Hurricane Blanche.

RANDY SCOWLED and — "that she blows" 525 miles away.

Donnie Aycock's never-say-die Red Sox just might give the Eastern Blues their stiffest competition in the time remaining. The Sox won their 8th against 6 defeats yesterday, 10-2, over the Beaufort Sea Dog is Broad Creek.

BIG RIGHT-HANDER Bruce Maness, who's going to march to the tune of the Wedding March next Saturday, pitched and batted Aycock's Newport entry to victory. He fanned 10, yielded just 6 hits and went 2-for-4 at bat.

Richard Collins and Alex Fox really turned on the speed for the Sox. Collins hit 2-for-3 and stole 4 bases. Fox smacked a double in 3 trips and slid to 3 stolen bases.

ALLEN AND Jay Garner and George Mettrick also had 2 hits in 4 appearances for Newport. Tony Hancock unloaded a home run for the Dogs.

The Carteret Tides gained their 12th triumph against 3 defeats yesterday when the Western Blues again forfeited for non-appearance in Swinson Park.
