

#1B-2 1938/1939 Year - Smyrna Yearbook

Smyrna Girls Basketball; Record 12-0

During the 1938-39 basketball season, the Smyrna High School girls were very successful, continuing to hold the coveted Carteret County Championship for the 12th successive year.

The regular "first team" that played this year was started in basketball by Coach R.A. Haddock. When he resigned to become Principal of Arapahoe High School, the team was adopted by Coach O.T. Townsend who has been a great inspiration to the members in upholding high ideals of good sportsmanship and clean living.

With the coming of the year book of 1939 Marks the passing of the team of 1939. and to our successor we can say, "au revoir", with a hearty hand clasp to continue.
