

#2 Beginning of the Seashore League

Jan 14, 1974

Adult Baseball League Proposed

Anyone interested in forming a countywide men's baseball league is invited to meet at 7 o'clock Tuesday night at Town & Country Food Store, Highway 70 west of Morehead City.

At least six teams are needed to begin, although every community in the county will be invited to enter a team. Grady Willis, league organizer, urges all baseball-minded adults to attend, in order to determine interest in the proposed league.
