Salter Path at Beaufort  
Smyrna at Newport  
Havelock at Broad Creek

### August 7:

Newport at Salter Path  
Havelock at Beaufort  
Broad Creek at Smyrna

### August 14:

Beaufort at Newport

port. All of the games will start at 2:30 p.m. No admission will be charged at the gate but a collection will be taken up to help defray expenses.

Other business at the Monday night meeting included the appointment of Bobby Bass as secretary-treasurer of the league. Bobby has done most of the leg work for the league so far and was instrumental in getting the league started.

Those present Monday also voted unanimously to affiliate with the National Baseball Congress, the national organization for semi-pro baseball. This will make the league champion eligible for state tournament play and of course, the national tournament also, should they win the state. It's doubtful if the league will enter a team in the state playoffs this year but with the affiliation, plans to do so in the future can be made.

For the purpose of selecting players for the All-Star game it was decided to divide the league into two divisions, an eastern division and a western division. The eastern teams will be Smyrna, Beaufort and Salter Path, while Broad Creek, Newport and Havelock will make up the western division.

For the All-Star game a team from the western division will play a team from the eastern division. The All-Star teams will be made up of six players from each team which will give the All-Star managers a roster of 18 players. The manager of the leading eastern team and the leading western teams on July 3 will be the All-Star game managers.

All that the league needs now for a successful season is the support of county baseball fans. An afternoon at the ball park is always a day well spent, so why not go to one of the games this Sunday and get the season off to a good start? Seventeen weeks of baseball and all the thrills it offers lie ahead.

That's 30 for now.

## Registration Starts For Morehead Little League

Registration is under way in the Morehead City Little League. Players at the three Morehead City schools began signing up Wednesday and will continue through today.

Player-agent Bill Fahy reports that registration cards were handed out Wednesday at Camp Glenn school and Thursday at the Morehead City school. Boys at St. Elizabeth's school will receive their cards today. Player registration is for boys who have never participated in the Little League program before.

The first spring tryouts of the year will be held tomorrow and Sunday afternoon at Chadwick Park. Two sessions will be held each day with the 8 and 9-year-olds reporting at 1 o'clock on both days and the 10, 11, and 12-year-olds reporting at 3 o'clock. Each group will have two-hour workouts.

Players registering for the first year are asked to bring their signed registration cards with them to the tryouts.

Bill Chalk, Little League president, reports that work has been going on at the park this week to

ready it for the season. A new layer of top soil has been put on the infield and the infield has been grassed.

Repair work has also been done on the bleachers and the end of the week should see the field ready for the season.

Smyrna at Salter Path  
Broad Creek at Havelock

### August 21:

Broad Creek at Newport  
Havelock at Smyrna  
Beaufort at Salter Path
