Beaufort Wins One Other in Doubt

Beaufort's baseball team came through with one win this weekend and a second game is still undecided.

Saturday the Beaufort team edged Jacksonville 11-10 at Beaufort. Ace Harris was the winning pitcher. Sunday the Beaufort team journeyed to Jacksonville for a try at another victory. At the end of the first half of the ninth the score was knotted at nine all. Jacksonville had a man on third base when the game, was called because of a curfew. Nevertheless another man hit the ball and the man on third advanced home and Jacksonville was declared the winner.

Observers stated that the man who hit the ball never reached first base and that therefore there was no score, especially since the game had already been called. Tidewater League President Ralph Eudy said that a hearing between representatives of the two teams and the umpires involved would probably have to be held in order to clear up the discussion.

Marshallberg Changes Name to East Carteret

The Tidewater League "gained" a new team and "lost" an old one this week but the players are still the same.

The former Marshallberg team decided to rename itself and came forth with the title East Carteret baseball team. This move was made, so observers say, in order to receive stronger backing from fans and supporters down east. Previously the team had been strictly from one community but now it is representative of the whole area east of Beaufort.
