

Playoffs Enter Final Round

The Carteret county league playoffs will continue this Sunday with the opening of the final championship round between Atlantic and Newport. The two teams will meet in a doubleheader at Atlantic.

The playoffs will continue the following week with another doubleheader at Newport. If necessary, a fifth game will be played Sept. 13 at Atlantic. The final series will be a best three out of five series.

In the opening rounds which ended last weekend, Newport, defeated Beaufort and Atlantic topped Morehead City. Newport upset highly-favored Beaufort with two straight victories, while Morehead City extended Atlantic to three games before bowing.

Newport, so far, has provided the surprise of the torney by its showing against Beaufort. Beaufort had finished the season in first place with only Atlantic anywhere near it in the standings. Newport, on the other hand, barely squeezed into a spot in the playoffs, edging Salter Path for the last of the four places. Beaufort had been heavily favored to beat Newport and had been conceded a slight edge over Atlantic in the final round.

planned the double sessions to insure that each player is able to get to at least one session each day.

The first sessions were devoted to conditioning and work on fundamentals, but during the middle of this week the players began contact work and drill on the plays which they will use this season.
