

League All-Star Game Slated Next Monday

The annual Tidewater League All-Star game will take place next Monday in Beaufort ball park, with Morehead City, Beaufort and Havelock players meeting a team composed of Midway Park, Newport and New Bern players, league president Ralph Eudy announced yesterday.

Time of the game is still indefinite, Eudy said. He explained that if floodlights are installed in the park the game will begin at 8 p.m., otherwise it will begin at 3 p.m.

Pre-game contests in base running, catcher's throw to second, out fielder's throw to home and fungo hitting will begin an hour before gametime with prizes being awarded to the best player in each department.

Proceeds from the contest will be divided among participating teams.
