

Seadogs Left Wednesday In Quest for State Crown

Beaufort's Seadogs left the school early Wednesday morning enroute to Winston-Salem for the state 2-A championship tournament.

The Carteret lads left by car, with the students of Beaufort High giving them a fanfare send-off.

They have now arrived at Winston-Salem where they hope to bring the state 2-A championship trophy back to Beaufort.

After winning the Coastal Plains

tournament the Seadogs had to wade through the whole thing again in the District Two play-off before they earned the right to go to the site of the championship games.

Coach Tom McQuaid's boys go into Winston-Salem with a 25-win streak. They have not been defeated this year.

Their first opponent will be the Clyde A. Erwin boys of District 8. If they get by their first game they will play at 9 tonight the winner of the Bate City-North Surry clash, which started at 7:30 last night.

The championship game Saturday night will start at 9, the consolation game at 7:30.

The games are being played in the Reynolds gymnasium.

Newport Defeated In Cage Tourney

Newport's Hawks played their last cage game of the season Wednesday night in the District Two 1-A tournament at Kenansville. They were downed by the Pirates of Swansboro 58-47.

The Hawks are the winners of the Carteret-Craven conference and had earned a berth in the District play-off.

After a cold start in the first period when the Newport boys could manage only nine points and found themselves behind eight points, they came back strong in the second period to lead at the half 28-27.

But the game belonged to the Pirates as they took a one-point lead going into the fourth quarter and never let up.

The fourth period was a disaster for the Newport cagers as they could only produce seven points.

Swansboro gained their lead from the foul line as the anxious Hawks, trying to get their hands on the ball, could only commit fouling errors.

In the last 57 seconds the Pirates only had a four-point lead, but they were accurate from the charity circle to give them their 11 point win.

Sammy Lilly was the top scorer for the Hawks with 16. Ray Avery hit nine.

Ben Licko had 18 for the winners.
