

Beaufort Team To Go Against Swansboro Nine

Thursday afternoon the Seadogs of Beaufort will test their 1963 baseball team in a non-conference game against Swansboro.

Coach James Fodrie's boys haven't seen too much of the diamond dust due to the championship games in basketball.

The baseball coach gave the following as a possible starting nine for the Seadogs: Brady Way, first base; Jeff Croom, second base.

Richard Stanley, shortstop; Johnny Hassell, third base; Chris Pake, left field; Wayne Merrill, center field; Joe Bellamah, right field; Robert Isom, catcher; Johnny Way, pitcher.

Other pitchers on the Seadog team are William Woodard, Mickey Bertram and Bill Hamilton.

Coach Fodrie said that Leslie Croom, a regular in center field, will be out of the opening game due to an injury.
