Legion Team Whips Firemen

The American Legion softball team has proved itself the team to be watched in the Morehead City softball league by winning two games in the last week. The Legion, with three won, one lost (to the Jaycees), now stands next to the league-leading Jaycee team which has won two and lost one.

As previously reported, the Legion team whipped the Tide Water Power entry 22-15 last Friday night. Wednesday the Legion team gained another victory over the Fire department with an 8-14 win behind Don Harrison's pitching. Jimmy Smith was the losing pitcher.

Monday night the former cellar team, The Lions, handed the Fire department another loss, 13-11. Glenn Rose was the winner on the mound and Jimmy Smith and Hubert Perry were the losers.

Tonight will be Ladies Night at Wade Brothers park with all the ladies being admitted free. The undefeated Jaycee team will attempt to wrest a victory from the current dwellers, the Fire department. Game time is 8 o'clock sharp.

A shakeup and reorganization of Beaufort's Tidewater League baseball team followed last weekend's two successive losses to Morehead City, but club officials are extremely reluctant to comment on the change.

Playing Manager Charles Hassell, pitchers Ace Harris and Sharp, and Catcher Leroy McIntosh have all resigned from the club—whether by choice or request is not known.

Club President David Merrill said that he did not know the reason for the resignations since he was absent when they took place. Others contacted, including Catcher McIntosh, refused to divulge reasons for resigning.

Second Baseman Tom Benton has been named acting manager until a new manager is chosen.
