Hall Pitches First College Game

ONE DAY BEFORE graduation from high school, West Carteret senior George Hall pitched his first college game. He was the winning pitcher for Louisburg College in a summer league bout with the Camels of Campbell College, Buies Creek, Thursday evening.

Hall scattered 8 hits and struck out 7 Camels en route to the 11-4 victory. He pitched the full nine innings.

Heavily scouted by the major leagues, Hall will play in the Carolina Summer College League and will attend Louisburg College in the fall.
