

# County Loop Managers To Meet Wednesday

Ray Cummins, Morehead City, president of the County Baseball League has called a meeting of managers for Wednesday at 7:30 p.m. in Otis Jefferson's Barber Shop, Beaufort.

Discussion of the July 4 All-Star game and two protest games will be on the agenda. A site for the all-star game must be selected and a deadline set for selection of players for east and west teams.

Players on each team vote for four representatives from their team for either the east or west team depending on which section of the county the team is from, explains Mr. Cummins.

Salter Path, Atlantic and Morehead City are the participants in the protested games. Salter Path is protesting a game with Atlantic and another with Morehead City.

Managers of the unaffected teams rule on the protests as prescribed by league by-laws.

Games to be played Sunday in the county league are Newport at Beaufort, Atlantic at Morehead City, and Harkers Island at Salter Path.
