

Morehead City Fire Department Takes Over Ball Team Sponsorship

Morehead City Fire Department asked for and got it: sponsorship of the town's league-leading Tidewater baseball team.

This "reorganization" took place Tuesday night at a meeting of the club in Morehead City municipal building. It is hoped that some means may be worked out to get things out of the red.

Sponsoring the team up until Tuesday night were Leroy Guthrie, E. C. Willis, and McDonald Willis, according to Wade Bell, vice-president of the Tidewater league.

Thomas Wade, Jack Roberts, and Vernon Guthrie, firemen, have been appointed as representatives to work with the above mentioned three in managing the club.

The fire department announced that it would not be responsible for debts incurred prior to Tuesday night's meeting. Any contributions toward getting the club out of the red will be readily accepted they added.
