

Grays, Nets Remain Unbeaten in Eastern League Competition

By PETE GUTHRIE

IN ACTION this past weekend in the Eastern League, the Grays kept up their torrid hitting and good pitching in clubbing the Cedar Island team 21-0.

Almost everyone on the Grays' team hit safely. Parks Lewis hit an inside-the-park home run. Jim Lewis pitched the first shut-out of the season scattering six hits.

CEDAR ISLAND collected 4 hits the first 2 innings, then was held to 2 hits the next 7 innings. Losing pitcher was Kenny Chadwick.

The Nets traveled to Atlantic to play the Pirates and had to fight for their lives in defeating the Pirates 6-4. A newly found pitcher for the Pirates, Bob Barrera, and Ed Morris of the Nets squared off for a pitching duel.

THE NETS collected 6 hits and the Pirates 7 hits. The Nets scored 2 runs in each of the first 3 innings and then were shut out the rest of the way. The Pirates scored one run in the fourth inning, one in the seventh and 2 runs in the ninth on Larry Grey's triple.

Tommy Simpson also rapped out 3 hits for the Pirate's. Winning pitcher Ed Morris had 2 hits for the Nets.

THE NEWLY formed Marshallberg team and the Bettie Bears played a close game with the Bears winning 11-8. Herman Arthur hit a 2-run homer for the Bears and had 3 RBI's. Winning pitcher was Charlie Turner who pitched the first 6 innings. Pat Gorman finished up.

The Atlantic A's and the Bays did not play because of wet field conditions. This game will be rescheduled at the convenience of both teams.
