

# Butch Hassell Tops Scoring for Seadogs

Butch Hassell led the Beaufort Seadogs in scoring for the season as he compiled a total of 596 points throughout the Seadogs' string of 27 straight victories. This includes the seven games played by Beaufort on the way to the state Class A title.

The 596 points scored by Hassell gave him an average of 22.08 points per contest. His high for the season was 34 points scored against Newport when the Seadogs routed the Hawks 90-57.

Hassell broke into the thirties two other times during the season when he scored 31 points against Atlantic and 32 against Maury high school in the district tournament at Kenansville.

The second leading scorer for the team was Pud Hassell who compiled an 11.5 average over 24 games with a total of 276 points. Hassell was out of three games due to an injured knee.

As a team the Seadogs scored 1,750 points as compared to 1,152 for the opposition. This gave Beaufort an average of 64.8 points per

contest and their opponents an average of 42.6.

From the free throw line the Seadogs completed 408 of 663 attempts for an average of 61.52 per cent. Their high of the season came in the Newport game when they canned 36 of 53 attempts.

Following is a run-down of individual scoring for the season for the Seadogs. The averages were figured on a basis of 27 games.

	Pts.	Avg.
