Morehead City Scores 27 Runs; Newport Has Scoreless Record

Morehead City scored 27 runs against Newport in weekend Tidewater League play while Newport's listless batters failed to get any runner as far as third base in both games and failed to mark up even one run.

Saturday's win at Newport was a 7-0 victory behind the pitching of James Webb who had a no-hitter through eight-and-a-third innings. Sunday Morehead went wild to win, 20-0, with Clifford Sharpe on the mound for Morehead.

The game Saturday was comparatively slow with Morehead garnering few hits but stealing enough bases to make up the difference. Tom Benton and Harold Diebert led Morehead's batting. Newport had no leading batters. Gould was losing pitcher.

Score by innings:

Morehead	110	303	110	—7
Newport	000	000	000	—0

Sunday Sharpe set what is probably a new league strikeout record as he fanned 19 batters on the Newport side. Morehead runners stole 18 bases to make the game a standout in two departments.

Stoy with three for three was
