

# COA Beats ECU Frosh

Mike Hogan was big man for COA against ECU Freshmen with the stick as he hit 3 including a triple which started a rally which got COA four tallies in the third inning.

Mark O'Leary helped the cause with a single and a triple.

Duke Sanderson was on the mound and he scattered four hits and held ECU to one run. In the top of the fifth Gary Bishop came in and held ECU scoreless with two hits but ECU scored two unearned runs in the top of the seventh inning. However Bishop ended the game with a strike-out in a pop fly to the center. COA bats were alive producing 12 hits and 9 runs. The entire team played well the first game with good hustling and aggressive base running.

In the second game more of a pitching dual between Dallas Arthur who turned in a fine performance for COA and Toms of ECU. Arthur scattered 6 hits over 7 innings and held the ECU bats in check. COA was held to 4 runs in the second game but one was a homer by Micky Nemcosky.

Again the entire COA team played well.

COA plays again Tuesday away against Durham Business College with a home game Friday against the same school.
