

**#40 1974 June 17 – Eastern Blues Beats Undefeated Stars, Blues Takes First Place**

The picture tells it all. Blues outfielder Joe Boy Willis trots home Sunday after slamming out a 2-run homer in the second inning, while teammates gather at home plate to congratulate him.

The Stars' starting pitcher, John Turnage, behind Willis, heads for the dugout. Turnage was relieved by Andy Raynor. The Eastern Blues went on to down the previously unbeaten Stars 9-6 and take first place in the Seashore League.
