

Atlantic-Salter Path Top County Loop Schedule

On the heels of their double loss at the hands of the Newport team last week, the front-running Atlantic All Stars invade Salter Path Sunday afternoon in what should be the best twin-bill of the weekend.

Salter Path is currently tied for second place in the standings and must do their best against Atlantic to stay in the running for either the top spot or the runner-up slot.

Smyrna-Harkers Island, tied with Salter Path, will travel to Beaufort for a pair on Sunday, and the Agassiz will travel to Newport.

Atlantic will undoubtedly start Gary Morris and Johnnie Willis against the high-scoring Salter Path club. Manager Tye Frost of Salter Path will undoubtedly counter with Jerry Pittman and Craig Smith.

Probable Pitchers

Probable pitchers for the host Beaufort team will be Walter Thomas and Herb Mason with Manager Wilson Davis of Smyrna-Harkers Island expected to use either Don Coates, Jamie Lewis or himself.

The Agassiz will field a full squad, thanks to the acquisition of five players from the defunct Morehead City squad. Manager Earl Sells is expected to start Bobby Martin and Lloyd Culpepper against the vastly improved Newport team.

Newport will go into Sunday's action with an added two victories chalked up on their record, since they were originally slated to play Morehead City today. Their pitchers today are expected to be Mel Adcox and Durwood Hill.

Two Gimmees

As each team's turn comes up to play Morehead City they will be awarded two victories in the standings, according to the an-

nouncement made at Tuesday night's meeting by league prexy Bull Durham.
