

## Tides Claim 6-1 Victory

### Benefit Game Raises \$1,007 for Retarded

THE BENEFIT baseball game between the Carteret Tides and the Eastern All-Stars Saturday night at Swinson Park, Morehead City, brought in \$1,007.08 for Station Club, the Beaufort-based center for mentally handicapped adults, according to Tides manager, Grady Willis. The game was sponsored by the Tides.

The Tides defeated the all-stars 6-1 in a game played under the lights following a downpour. Mr. Willis attributes the success of the fund-raiser to the all-stars, noting it was their supporters who attended the game and contributed heavily to the challenges.

THE FUNDS will be used to paint and renovate Station Club's building, the former county library and Beaufort train station, owned by the town of Beaufort.

Mrs. Kim Riley, Station Club director, says she has applied for funds for five employees, paid by the Comprehensive Employment Training Act, to do

the repairs. The funds raised will go for paint and building supplies.

WINNING pitcher was George Hall and George Zurenko was the losing pitcher. The Tides scored three home runs. Hitting homers were Chuck Lewis, who went three for three at the plate; Fletcher Poulk, who went one for four; and Bob Ivey, who went two for four.

The All-Stars had five hits. Their only run was scored in the fourth inning by Donald Garner of the Bettie Bears on an error. David Simpson, Beaufort Birds, went one for four; Drew Henry, Eastern Greys, went one for three; Bobby Lewis, Marshallberg Eagles, went one for four; and Bob Austin, Eastern Greys, went one for one.

The All-Stars team was made up of members from the Atlantic A's, Atlantic Pirates, Beaufort Birds, Bettie Bears, Cedar Island Seas, Eastern Greys, Marshallberg Eagles and Salter Path Reds.
