Sunday's 4-2 victory at Smyrna saw the lead see-saw until Morehead City scored three runs in the top of the fifth to go ahead for the rest of the game. Jack Wallace's long double to left center driving in three runs was the deciding factor in that inning.

The game Sunday was also remarkable for what is reported as one of the largest crowds, if not the largest, ever to witness a baseball game in this area. More

than 1000 spectators took every seat in the Smyrna park, lined the fences and filled every nook and cranny to see Morehead City take a hard-to-beat lead over the East Carteret nine.

This weekend the two teams will meet Saturday at East Carteret. In the event Morehead City loses the Saturday game a return game will be played in Morehead City Sunday.
