## Smyrna Lassies Trounce Morehead City, 83-61

The Smyrna sextet won its second straight county championship Saturday night, defeating the Morehead City Eaglettes 83-61 in the last round of the county tournament.

Serina Davis led the Smyrna attack with 32 points. Jean Willis scored 28 and Elberta Gillikin scored 23. The Morehead City guards were unable to cope with this well-rounded attack.

About the time the Eaglettes would stop one of the Smyrna forwards one of the others would hit. Coach H. T. Sanders said he was very well pleased with the game turned in by his forwards.

He also said the Smyrna guards played an outstanding game. The more points a team scores the more chances the other team has to score. "Good play by the guards," he said, "made the 22-point margin of victory possible."

The Smyrna guards who played the entire game were Laura Lewis, Brenda Willis and Clarice Willis. Jenny Lou Smithwick of Morehead City was high scorer for the game with 35 points. Anna Faye Willis scored 22 and Faye Jones scored four. Barbara Harrell played the last minute of the game after Smithwick fouled out.

The Morehead City guards were Jessie White, Sally Morris, Patsy Robinson and Frances Gaskins.

The game could have gone either way until the last quarter when the Smyrna lassies put the game on ice with a 26-point outburst. The score after the first quarter had Smyrna on top by a 19-16 score. The halftime score was 42-35 in favor of Smyrna.
