

Wallace-Rose Hill Gives Eagles 8-1 Loss Friday

Beaufort Loses 7th Conference Game Friday

Coastal Plains-leading Pamlico handed Beaufort their seventh conference setback of the year Friday afternoon 6-2.

The visiting Pamlico team rose up for five runs in the first inning, sat back and coasted the rest of the way as the Seadogs could collect only five scattered hits.

Beaufort couldn't seem to get their pitching staff started in the first frame. The Pamlico batters went through three Seadog pitchers.

Although the Pamlico team didn't get but three hits they were at the right time. The first Pamlico batter, Aycock, went to first with a base on balls.

The next batter was hit with a wild pitch, with two men on Pamlico shortstop, Sadler, blasted a double that was good for two runs.

Another runner advanced to first on a base on balls and another triple brought in two more runs. The next three men for Pamlico were walked, bringing in their fifth run.

Beaufort scored in the second and fourth innings.

Pitching for Beaufort was John Way, who started. Jeff Croom relieved him, Clem Woodard took the mound duties from Croom and Richard Stanley came in for Woodard and finished out the game.

All the pitcher-changing action took place in the first inning.

Beaufort will play its last game of the season today at Swansboro, a non-conference game.

The Seadogs now have five wins against 10 losses for an over-all season record.

Pamlico 6	AB	R	H

Bertram 2b	1	0	0

A visiting Wallace-Rose Hill team took advantage of Morehead City's errors Friday afternoon and handed the Eagles a 8-1 loss. It was the ninth loss of the year for the Eagles who saw victory only three times this season.

It was the last game of the year for the Eagles, who won three conference games and lost seven.

Morehead City scored in the first inning when Danny McQueen connected for a double that he stretched into a triple when the Wallace-Rose Hill third baseman bobbled the ball.

Eddie Smith scored McQueen, when he grounded to shortstop and the Wallace-Rose Hill player erred, allowing McQueen to score and the runner to be safe at first.

The visiting conference team scored in each of the first four innings.

John Lee, pitcher, started for the Eagles and he was relieved in the fifth by Edward Sanderson, who finished the game. Lee walked five and struck out four. Sanderson walked one and fanned four.

Both teams collected six hits, but the Eagles committed eight errors, allowing the Wallace team six unearned runs.
