

# Make-Up Bouts

## Set; Tourney

## To be Delayed

The Seashore Baseball League tournament originally scheduled to begin Sunday will be delayed a week, Andy McKinney, director of the County Recreation Department, announces.

There is still a need to play a couple of make-up games, in order to decide pairings for the tournament. Newport and Beaufort will meet at 2 p.m. Sunday at the Coastal Stars' field, Broad Creek, to play the final two innings of an unfinished contest started July 14. Immediately following that abbreviated bout, Newport will take on the Stars in a full, 9-inning game.

Whatever the outcome Sunday, the Stars, Newport and Beaufort will be playing in the Seashore League tournament, which is now scheduled to begin Sunday, Sept. 1. The fourth team will be the Eastern Blues, who earned No. 1 seeding sometime ago.
