

County League All-Star Tilt Set for Beaufort on Sunday

✦ The County Baseball League All-Star game will be played Sunday at 2:30 p.m. at the Beaufort ball-field.

Players of the eastern section of the county will be pitted against those from the western sector, with each team sending six players.

Smyrna-Harkers Island, Atlantic and Beaufort players will comprise the East team, with players from

Salter Path, Coast Guard and the defunct Newport team comprising the West squad.

Managing the East team will be John Hamilton with Tye Frost of Salter Path managing the West team.

Managers of the top teams in each division were chosen as the managers for the All-Star tilt.

In last year's contest played at the McCrehead City diamond, the East team defeated the West 13-11, in a game which saw Buddy Willis of Atlantic hit a tremendous home-run over the gym in centerfield.

Buddy will be one of the members of the East team this season. Fans will be on hand to see if he can clout another this year.
