FOOT

It was near the end of summer when the boys trudged out on the football field. Clad in swimming trunks and tee shirts they passed, kicked, and ran from mid-evening to dark under the watchful eye of Coach McQuaid.

As the weather grew cooler and the night of the first game grew nearer the boys worked with greater determination to have a winning team.

The team went on to win some games, to tie some, and to lose a few, but all this just gave the boys the experience and the spirit to go on and build for the seasons to come.
