

Red-hot Beaufort took its third and fourth consecutive victories this weekend by tripping Havelock twice in Tidewater League play, 5-1 and 10-4, at Havelock and Beaufort respectively.

Pitching Saturday's game for Beaufort was 17-year-old Stanley Johnsen, who followed his two-hit victory over Swansboro with a three-hitter against the Havelock nine. Butler was the receiver.

Baldwin, relieved by Romanak in the seventh, hurled for Havelock, and McCuen did the receiving.

Lester Sharpe pitched Sunday's victory, and Leroy McIntosh called the signals. Jack Gaskins started for Havelock, but had to be relieved by Odell Morton in the sixth. McCuen and Romanak shared the catching chores.

Havelock opened the scoring Sunday by tallying a lone counter in the second frame. An error, a sacrifice, and a double by Anderson accounted for the run.

Beaufort tied it up in the lower half of the inning on a walk to Fenner Boyd, an infield out, a wild pitch, and a base hit by Tracy Hooper.

Havelock went back into the lead in the next inning with a run that was scored without the aid of a base hit. Joe Pyzgodzinski reached first when the catcher touched his bat as Joe was swinging. An infield out and another error by the catcher brought in the run.

The score was knotted up again in the lower half. Ray Hassell reached first on an error, stole second, took third on an infield out, and came in when Tom Benton singled.

Beaufort went into the lead to stay, however, with three runs in the fourth stanza. Verbanic doubled and stole third, and after Hooper walked he pilfered second. Both came in on McIntosh's two-base hit, Leroy taking third on the third baseman's error. McIntosh scored on Ben Hester's two-bagger a few seconds later.

Havelock came within one run of Beaufort by scoring two in the fifth to make it 5-4. Fred Lockey walked and reached paydirt when Sonny Russell, Havelock's short-stop "find," homered into left field. Sharpe allowed no further scoring by Havelock, however, and Beaufort sewed up the win with two in the fifth and sixth and one more in the eighth.

In the fifth, Hooper and McIntosh singled, McIntosh taking second on the throw-in. An error by the first baseman on Sharpe's grounder allowed both runners to tally.

Butler was hit by the pitch and Benton was walked to start things rolling in the Beaufort sixth. The two runners stole the necessary number of bases to reach third and second, respectively, and Verbanic's single brought them in.

Beaufort's final run was scored in the eighth. Hassell singled, reached third via passed balls, and came in on an infield out.
