

County Baseball Loop To End Season Sunday

Norman Clark, president of the Carteret County Baseball League, has announced that the regular season's play will be concluded Sunday with two doubleheaders.

Salter Path will be at Atlantic with Jerry Pittman and Mel Adcox or Jarvis Guthrie pitching for the visitors and Thomas Salter and Johnny Willis handling mound chores for the home team.

The Coast Guard will be at Smyrna-HI for a pair with Lloyd Culpepper and Charley Braxton hurling for the Coast Guard and Laurie Willis and Wils. A Davis pitching for Smyrna-HI.

Game time for both games is 1:30.

At a special meeting held Monday night, the managers voted to end the regular season's play without completing make-up games, due to the fact that they hope to finish the league play-offs for the championship before the hurricane season.

An all-star team and manager of the year will be selected by the team managers at a meeting next Monday at 7:30 p.m. in the Sanitary Barber Shop. Members of the team will be selected for their all-round ability, their spirit and will to win.

Enthusiasm for the championship play-off is running high in all sections of the county, and a wide open battle for the title is expected.

Planning for next season is already underway, and a league spokesman predicts that spectator interest will reach an all-time high next year.
