

# Inexperienced Atlantic Cagers Hope for Best

Atlantic faces a hoop season with a relatively inexperienced team, but hopes to close the gap before tournament time, according to coach Sami Jordan, who is a new-comer to Atlantic.

Only two regular starters are back this year, leaving Atlantic with a lot of catching up to do to develop a close working starting lineup.

Atlantic lost its first game to Smyrna 59-33. Coach Jordan says that the team expects to profit from the loss by changing offense and defense tactics.

Atlantic will have no junior varsity games this year.
