

Beaufort High Keeps Up Winning Streak

By A. R. RICE

Beaufort High handed Newport and Whiteville defeats this week to keep intact its victory string. Newport fell Monday 11 to 3 and Whiteville yesterday, 9 to 4.

The first game played under perfect weather conditions was featured by Brooks' brilliant hurling. He struck out 14, had perfect control, not walking a man and was never in danger. The runs scored on him were the results of errors. The locals' hitting was weak, but with the 8 bases on balls issued them and some very timely Newport errors, the 11 runs were manufactured.

The box:

Newport	AB	R	H	O	A	E
McCabe, 2b	5	1	0	4	2	0
Hill, p	5	0	1	2	4	0
Mann, G. c	5	1	1	10	1	2
Mann, E. cf	4	1	0	0	0	0
Garner, C. 1b	4	0	1	5	1	1

BEAUFORT HIGH KEEPS UP WINNING STREAK

(Continued from page one)

Near freezing weather saw Whiteville bow to Longest's slants as he fanned 12 while his mates were hitting when hits meant runs. The fireworks started in the second when C. Rice, F. Rice and G. Hassell walked. They and Brooks all scored on successive safeties by Brooks, R. Hassell and Hooper. The final tallying came in the sixth. F. Rice and Brooks hit safely and then followed all brands of baseball. A fielder's choice and sacrifice on which all were safe and two errors brought five runs across the plate.

Longest's feat of whiffing 12 under the circumstances was remarkable. Not only was the weather cold, but the field was wet and muddy, necessitating frequent wipings of the ball.

In the two games R. Hassell has proved that he is a real handler of pitchers. He looks nifty behind the bat and seems to get the utmost out of his hurlers. In fact, the whole team has demonstrated that they are a hustling bunch of youngsters out to give the opposition plenty trouble and always heeding Coach Potter's every word.

New Bern plays the first of a series of three Class B State Championship Elimination games here tomorrow, Friday at 3.30. The public is asked to loyally attend what is ex-
