The 1967 ACC golf team features a veteran lineup of returning lettermen. Wayne Bynum, Gordon Fulp, Nick Serba and Tom Quinn are seniors returning for their final trips around the links.

John Alford, the Wendell amateur, is back and is a two-year letterman. Alford is a junior. John Mayfield rounds out the top six. Mayfield is a transfer student from N. C. State and is a junior. Bill Cook, sophomore, and Johnnie McDustial, a Wilson boy, complete the squad.

Attempting a comeback this year after being out of action last year due to personal reasons is Booty Cale. Cale is not playing at his best right now, but with his type of determination, improvement will be on the way.

The golf team dropped their first match to Campbell College by a 13-11 score. Campbell has one of the finest teams in the state and the match with ACC went down to the final four-some. Next home match is Saturday morning at Happy Valley.

Baseball

The ACC baseball team has gotten off to a rather dismal start, dropping five of their first six games. The picture may not be as dark as it may seem as only one of these losses were against conference opponents. High Point defeated ACC 6-1 and is considered among the top three teams in the conference.

The Bulldogs trouble has been primarily a lack of hitting. Only catcher Joe Willis has been able

to solve the opposition's pitching. He has six hits in 12 trips to the plate for a very fine 500 average.

Wade Johnson, senior right-hander, has pitched 10 innings without giving up an earned run to lead the pitching.

ACC plays Newberry away Saturday and the next home game is April 12.

Tennis

The ACC tennis team is among the leaders in the conference with a 2-0 record. High Point and Elon have been the victims thus far with more to come.

These conference victories were earned with Gary McMahon unable to make the trips due to being confined to the school infirmary. I. V. Thompson, David Hales, Eddie Gwaltny, George Rainey, and Bill Bootright were the players winning their matches in the 2-0 record. The next home match is with Appalachian on Friday and Saturday.

Track

The ACC track team dropped their opening meet to High Point 91-54. Earning points for ACC were in the 100 yard dash, Hackett and Landen first and second; 220, Hackett and Landen second and third; 440, Hill third; 880, Hooks and Owens second and third; mile, Hooks third; two-mile, Cooke and Hooks second and third; 120 hurdles, Gibbs third; 330 hurdles, Swanker third; pole vault, Swanker and Owens first and third high jump, Gilmore, first; long jump, Wilkens, second; shot put, Jones and Schwab, second and third; discus, Schwab, second; javelin, Griffin and Swankee, first and third. The next meet is Friday at Campbell.

Receives Honor

Larry Jones, captain of the 1966-67 basketball team has recently been named to the Honorable Mention roster of the All-American N.A.I.A. Team.

Prior to this honor, Jones had been selected as a member of the 10-man All-Carolinas Conference Team and the 10-man District 26 N.A.I.A. Team.

According to Coach Ira Norfolk, team captain Jones' performance "was instrumental in the ACC team attaining their first winning season in six years and completing their season as the fifth ranked team in the nation in the N.A.I.A. final statistics in team field goal ac-

curacy with a .525 percentage."

Miscellaneous

Nick Serba and Bob Covington, both business majors at ACC have been named to the Carolina Conference All Academic Basketball team. It might be said that they are "back in the saddle" as they were on the team last year. Serba is a senior from Wilson and Covington a sophomore from Rockingham.

Three members of the ACC baseball team have been named to the Dean's list at ACC. Watt Moore and Wade Johnson, P. E. majors and Joe Willis, a physics major, were named. This certainly speaks well for the student athletes at ACC.
