

All-Star Game Will Pit Best League Players

The best baseball players in the Carteret County Baseball League will clash in the all-star game at Smyrna July 7. Managers of the three western teams will name six players from each of their teams for the game.

Since there are only two teams in the east now, Atlantic and Smyrna-Harkers Island will field 18 players from their combined squads.

Ty Frost of Salter Path, last year's champions, will lead the western squad. Roy Cockerham, Atlantic player-manager, will be at the helm of the "Down-Easters."

While there will be enough baseball to draw every ball fan in the county to the game, the league directors have added a feature for the folks who enjoy watching pretty girls more than they do a ball game.

Miss Carteret County Baseball will be elected and crowned at the pre-game ceremonies beginning at 1:30 p.m. Several girls have already expressed interest in entering the contest. This will be the first county-wide beauty contest of the year, drawing girls from Newport to Atlantic.

The league championship trophy will be displayed for the first time at the game.

The game will be a full nine-inning contest. The managers will determine which players they use. There is no league rule that makes a manager use every man on his squad, though every man usually does get a chance to play.
