

Five Players Win Conference Honors

Taking top honors in the All-Seashore Basketball Conference are these five players who were chosen as the first team in THE NEWS-TIMES selections.

Three Carteret County schools are represented on the first team, Morehead City, Beaufort and Newport. Represented on the second team, consisting of Eugene Edwards, Bill Smith, Don Baker, Bradley McIntosh and Larry Prescott, are Newport, Dixon, Camp Lejeune, Morehead City and Pamlico County.

Twenty-three boys from all 12 schools in the conference received honorable mention. Votes were cast by the coaches and Hal Shapiro, sports editor of THE NEWS-TIMES.

If arrangements can't be made to present THE NEWS-TIMES medals and certificates to the 33 boys during chapel programs at their schools, the awards will be mailed to them.
