

Beaufort Triumphs Over Swansboro, 4-3, Gains 12th Straight, Enters Finals

Moore's Two-Hitter Goes For Naught as Beaufort Continues Streak

Beaufort took its third straight semi-finals playoff game with Swansboro in Beaufort Saturday afternoon to clinch a finals match with Marshallberg this coming weekend by topping Swansboro, 4-3.

The win was Beaufort's 12th straight, the first nine of the victory string being captured in regular season play.

Beaufort actually won on running prowess and heads-up play rather than hitting power Saturday, because Swansboro's hurler, Julius Moore, stymied the Beaufort batting order with but two hits, both singles and only one figuring in the scoring. Stanley did the catching.

Stanley Johnson pitched for Beaufort and went all the way for the win. Ray Hassell donned the catching paraphernalia.

Swansboro started the ball rolling with two runs in the top of

the second inning. Manager Arthur (Pappy) Diem walked and took second on a passed ball. Craig Lisk then tripled and came in on Garrison's single.

Beaufort bounced back with three in the fourth frame. Fenner Boyd reached second when Swansboro centerfielder Charlie Odum muffed his fly ball. An unsuccessful try was made to catch Boyd at third on Joe Verbanic's grounder, and when Verbanic stole second, Beaufort had two men in scoring position.

Tom Benton singled to bring in two runs and then performed the unusual feat of going all the way around to third on an infield out. Benton outraced a short fly to left field for Beaufort's third run.

Beaufort added another in the sixth. Boyd and Verbanic walked and Boyd was forced at third by Benton. Verbanic and Benton then executed a smooth double steal, and Verbanic, through some smart maneuvering on the basepaths, was able to score on an infield out a few seconds later.

Swansboro threatened seriously in the top of the ninth. Craig

doubled and Diem singled, sending Craig to third. Although Craig scored on the play, the back of the threat was borken when Lisk hit into a double play.

Stanley then ended the game by hitting back to the pitcher.
