THE BEAUFORT NEWS,

## West's Home Again!

West Taylor, native son of Beaufort, has forsaken berths on teams in the Coastal Plain league and turned to the home diamond where he pitched his first game against Havelock Saturday and chalked up a win (see story page 1). Pitching for Goldsboro the first part of the season, he was sold to Smithfield several weeks ago, but recently obtained his release and plans to stay in these parts. West says he just couldn't stay away from the coast in the summertime. U.S. Army Signal Corps Photo
