

# Beaufort Plays Smyrna Down East this Afternoon

★ Beaufort will journey to Smyrna to face the Smyrna team in conference baseball action with both teams seeking their second wins of the young season.

Roy Styron who pitched against Swansboro over a week ago will be on the hill for the Smyrna team, and Herb Mason will be on the mound for the Seadogs.

Both teams have played against Swansboro in their initial outing of the season, with Smyrna beating Swansboro 25-10, and Beaufort tagging a 9-6 loss on the boys of Coach Reid.

It's to be expected that a change will take place in the Beaufort lineup at second base since Pee Wee Parkins has been labeled ineligible.

Other starters for Beaufort should include Harold Willis at first base, Monk Pittman at shortstop, James Holland at third base, Bernard Hall behind the plate, George Martin in left field, Steve Dudley in center and Clarence Ipock in right field, with Joe Pake taking Parkins' place at second base.

Styron is reputed to be a fast-balling lefthander who can be exceedingly wild, so Beaufort players are warned not to dig in at the plate.

Morehead City played their game yesterday and at presstime the result was not yet available. The Eagles opened their season down at Atlantic.
