The Smyrna Girls' Basketball Team of 1951-1952 deserves all the credit that could possibly be bestowed upon any team for their outstanding skill during the year. With an excellent example of teamwork, skill, and good sportsmanship they led their team to the final night in the county tournament. This game was a thrilling and hard-fought battle between Smyrna and Morehead. Smyrna girls brought back the trophy and Smyrna School was indeed proud of this team, who under the capable coaching of Mr. Stewart Daniels, had proved themselves the best team in the county tournament.
