Smyrna has been unable to play the last three games of its schedule and thus will probably delay the time of the tournament or will have to play right up to time of the tournament. The first two games were postponed due to flu among the players, the last one due to the fact that about one inch of water covered approximately one-third of the playing field.

Beaufort played Morehead last Friday night, at Morehead, and two of the best games played to date were witnessed. The Morehead Boys won over their arch rivals by a score of 22 to 23. The Girls teams tied with the score 24 to 24. Rules are that there is no extra period to play ties off in girl's basketball.

On Tuesday night Morehead Girls won over Newport by a score 31 to 19, while the Newport Boys won over Morehead 33 to 16.

Some question has been raised as to the eligibility of Griffin playing for Morehead.

The New Bern Armory defeated the Beaufort Pros on Wednesday night 54 to 47.

Beaufort has another basketball team called the Juniors which is coached by Ramie Davis. These boys have been going to town in the way of winning games although nothing to date has been reported in this column about their activities. On Wednesday they defeated a Swansboro team by a score of 37 to 14. More will be written about these boys in the future.
