Girls' Basketball

Starters; Catherine Arrington, Sally Davis, Dawn Hassell, Susan Arrington, Annette Chappell, Cynthia Beachem, Sandra Piner.

Enduring love for the game enabled the girls to have a team this year. Coached by Tracy Bass, they played hard and with superlative sportsmanship. Their rewards were great: runners-up conference honors, better knowledge and more enjoyment of the game, two team members named to the All-Conference team (Sandra Piner, captain and forward, and Susan Arrington, guard), and further development physically, socially, and mentally. The winners of the girls' basketball trophies were Most Valuable, Sandra Piner, and Sportsmanship, Susan Arrington.

All the girls played at most of the games. The team was fortunate in having good substitutes as well as a good manager and coach. The girls' conduct and success is a sure inference that such activities should continue at East Carteret.
