

#20D-2 1965-1966 High School – ECHS Football Team

Football Captains; Gray Davis, Bo McKee, Thompson Lewis, Johnny Merrill.

Tracy P. Bass, Coach

Despite a lot of determination, the East Carteret Varsity could only manage a 2-7 record this year.

East Carteret displayed great power early in each game but was unable to sustain the drive needed to win the contest during the whole game.

Although this year's squad did not turn out to be a champion, it developed in these boys a much greater attribute, character. This quality will follow them down the highway of life, and it is hoped that they will remember that this team and its coaches helped them to acquire it.
