WELCOME FROM THE TOURNAMENT DIRECTOR

To Participating Teams and Their Fans:

Welcome to Carteret County and to the 1977 North Carolina N.B.C. Coastal Division Tournament.

The Carteret Parks Association is proud to host this tournament at Swinson Park so that fans in our area may enjoy the finest baseball that eastern North Carolina has to offer.

As tournament director, I am excited about the boost this tournament should give to baseball in our area, as well as to the areas from which the visiting teams hail.

The games should prove to be outstanding and may everyone enjoy the charm that Carteret County offers.

Yours in Baseball,

Wilson Davis
