

LENIOR COUNTY ALL-STARS

The Lenoir County All-Stars bring a sparkling 25-5 1977 record and a host of former professional and current college players into the tournament. The All-Stars certainly must be rated as one of the favorites on the strength of their pitching and lightening-like bats. This is the fifth year of existence for the team which draws its players from eastern North Carolina and plays teams all along the Atlantic Seaboard.

EASTERN BLUES

The Eastern Blues were organized four years ago along with the Seashore Baseball League. All members of the Eastern Blues team are from the eastern part of Carteret County. The Eastern Blues have been the regular season champions for the past three years in the Seashore League and are leading the Seashore League for this season with an 8-1 record. The Eastern Blues participated in the NBC tournament held in Roxboro, N. C. in 1975 and 1976.
