

BOY'S BASKETBALL

Even though the boys basketball team of 1939 did not win the County Championship and lost several games in the league, we feel proud of their record and courage. The team that can continue on in high spirits even though they suffer defeat is to be praised. The crowning point for the boys was their two point win over Newport's undefeated 1939 team. The thrills of this game will be re-told for many years to come. We hate to see Kenneth, Charles, Preston, and Leon go but as they leave us we wish them luck, but desire to retain for next year's team Kenneth's ability to shoot goals, Charles' ability to dribble, Preston's ability to smile though defeated, and Leon's ability to break up a pass.
